Important Information for Hosting a Pool Party

Size of Your Group. It is very important that we know how many people will be in attendance at your party as it will determine the number of lifeguards needed. Because state law requires us to report anyone in the pool area as a bather, regardless of whether they are swimming, you must count spectators in the total also.

Please be as accurate as possible. Once your contract is accepted, you cannot change the totals unless you contact the Pool Manager no later than 48 hours before the date of your event. If more people show up than you show on your application, the pool staff will NOT be able to allow them all in the pool area at one time.

Certificate of Insurance. A certificate of insurance is required for all organizations (school, scout, etc.) naming the "City of Warren" as an additional insured.

Available for Your Use. The City of Warren reserves the right to book multiple parties. The City will take into consideration the age group and the number of people attending each event when booking multiple parties. One of the two pavilions located within the pool facility will be reserved for your event. The facility does not have a refrigerator/freezer available for your use, thus you may want to bring coolers.

When you Arrive. Please avoid arriving at the pool more than 10 minutes before your scheduled time. If you require additional time to set up for your event, please notify the Pool Manager at least 2 days prior to your scheduled date.

Cancellation/Adverse Weather Condition Policy. The Reservation Fee must be returned with this application and will be deposited upon receipt. Reservation Fees will be returned, minus 10% for administration costs, in the event of the activity being cancelled by adverse weather conditions or if the event is being cancelled with a 21-day notice. Half of the reservation fee will be returned if a 21-day notice is not given. If adverse weather conditions occur during the event, a pro-rated amount, minus 10% for administration costs, will be refunded based upon the length of time the facility was in use.

Weak or Non-Swimmers. If your groups will have any young children who are weak or non-swimmers and you plan to have them wear flotation devices, keep these policies in mind:

1. Flotation devices MUST attach directly to the child's body. This excludes kick boards, inner tubes and other toys. Acceptable types of flotation devices include float belts and life jackets.
2. When a child requires a flotation device to be in the water, an adult MUST be in the water, within an arm's reach at all times. Adults may only supervise one child at a time with a flotation device.
3. The pool does not provide flotation devices.

Leave Time. The lifeguards will signal everyone to clear the pool 10 minutes before the end of your scheduled swim period to give your group a chance to get out of the pool, redress and exit the facility on time.

You may be charged an additional fee if your party does run over your scheduled time.

I, the undersigned, agree to follow all safety rules posted for participating at the City of Warren Municipal Pool and the requests of the lifeguards and employees at the City Pool. I understand that lifeguards are primarily responsible for watching participants while they are in the water and that parents and other child supervisors are responsible for children outside of the water. I agree to hold the City of Warren harmless from any and all claims, causes of action, and the like arising from or out of attending or being present at the City of Warren Municipal Pool.

I understand and agree that children under the age of 9 may be admitted only when accompanied by a paying adult (16 years or older) and the adult must remain with the child at all times that the child is within the C.A.R. Pool Facility.

I authorize medical treatment for myself and any member of my family that may be recommended by an attending physician in the event of a medical emergency.

The information I have provided is true and correct to the best of my knowledge. I understand that admittance to the Pool can be revoked and all fees forfeited for falsification of information or failing to comply with Pool Rules & Regulations.
